

**Call for Abstracts Now Available**

## **2019 International Confederation of Principals Convention**

**Shanghai, China | 23rd - 25th October 2019**

On behalf of the 2019 ICP Convention Steering Committee, it is our pleasure to invite you participate as a presenter at the **2019 International Confederation of Principals Convention** to be held from Wednesday, 23rd to Friday, 25th October at the East China Normal University, Shanghai, China.

The Convention program will provide opportunities for school leaders to network, collaborate and share practice that will enhance outcomes for students from across the globe. This unique event promotes global co-operation.

Abstracts are being sought for **Oral Presentations or Workshops** (60 minutes) in the following streams:

### **Connecting Leaders**

Focusing on contemporary pedagogical practices in:

- Sustainable leadership
- Leadership of the future
- Attraction and retention of leaders

- Inclusive leadership
- Leading through diversity

### Creating the Future

Recreating and redefining school leadership:

- The challenges and opportunities of leading in a technological era
- Using data and data analytics to inform teaching and learning
- Leaders of the future - who, what, how and why?
- A futurist's view of the role of school leadership
- Developing leadership capacity, renewing enthusiasm for the role

Please refer to the attached **Submission Guidelines** for further information about the abstract submission process.
